ZAFFARESE

Snap Frames

For posters size A0, A1, A2, A3, A4, A5

Mitred and round corners available
Security (hard to open) frames available and also 100% waterproof
Each frame includes 4 screws and 4 dobelns for wall fixing

Poster Strecher

For posters size A1, A2, A3, A4

Lightweight frame that stretches the poster within, from 4 corners. Poster can be simply changed via plastic clips. Available as standard in silver exloiert. Other colours available on request. Includes two U hangers for both wallmounting and ceiling suspending. Plastic clips springed from corners hold the poster in center and do not spoil or ruin the poster paper.

Lockable Frames

For posters size A0, A1, A2, A3

Four sides of the lockable frame is sequentially opened whilst the last profile is held in place with a screw on top that can be open only by its key thus making it difficult for unauthorised people. Same model also available for outdoor use. Each frame includes wall fixing screws and allen key.

Newage Poster Clamp

For poster width: 1.2 m, 1 m, 85 cm, 50 cm, 30 cm

A new series of poster holders just created to offer competitive deals. Suitable for posters in thickness 50 micron to 500 micron.

Double Sided Frames

For posters size A0, A1, A2, A3, A4

A suitable way to present your messages and posters in spaces where you do not have possibility for wall mounting. When suspended from ceiling via wire cables in front of shopwindows, the posters can be viewed both from outside and inside. Each frame includes hanging hooks for suspension.

Snap Light

For posters size A0, A1, A2, A3

Thin snap frame that lights up your poster. Single and double sided options are available. Comes along with 2 m electrical cable & plug. Ceiling hanging accessories are included in the original pack of double sided snaplight, and 2 metal wall hangers are included in the original pack of single sided Snaplight.

Poster Showboard

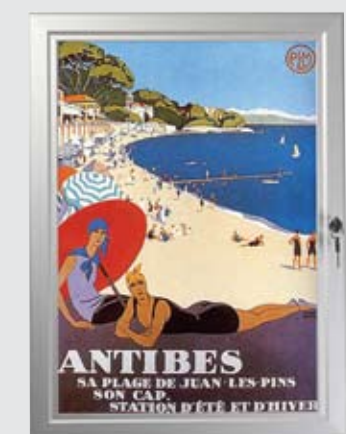

For Single key showboards poster size A2, A3
For double key showboards A1, A0, 500x700 mm, 700x1000 mm

Suitable for outdoor use. The cover can be opened 90 degrees. Each unit includes mounting screws and dobelns. The profile width is 45 mm and the depth of the case 30 mm. Also available with cork backing, magnetic backing and perforated steel backing. Each showboard includes 1 key set of single variation.

Window Mounted
